LIVIA Privacy Policy

Introduction

LIVIA ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how our browser extension ("Extension", "Service") collects, uses, and protects your information.

By installing and using LIVIA, you agree to the collection and use of information in accordance with this policy.

Information We Collect

1. Information You Provide

We DO NOT collect any personally identifiable information (PII) that you provide.

The Extension does not require you to:

- Create an account
- Provide your name, email, or contact information
- Enter passwords or credentials
- Share personal documents or files

2. Information Automatically Collected

2.1 URL Information (Local Processing Only)

What we collect:

- URLs of websites you visit (only when the Extension is active)

How we use it:

- To check visited URLs against our local threat database
- To determine if a website is potentially dangerous

Important clarifications:

- URLs are processed **locally in your browser**
- URLs are **NOT transmitted to our servers** (when using local mode)
- URLs are **NOT stored permanently**
- URLs are **NOT shared with third parties**
- ⚠ If you enable "Enhanced Protection" (optional PRO feature), URLs may be sent to external threat intelligence APIs (VirusTotal, AbuseIPDB) for verification. This is **opt-in only** and clearly disclosed.

2.2 Extension Usage Data

What we collect:

- Number of threats blocked
- Number of URLs checked
- Extension settings and preferences

How we store it:

- Stored **locally in your browser** using Chrome's storage API
- Never transmitted to external servers
- Automatically deleted when you uninstall the Extension

Purpose:

- Display statistics to you (e.g., "You've blocked 50 threats this week")
- Remember your preferences
- Improve Extension functionality

2.3 Technical Information

What we automatically collect:

- Extension version number
- Browser type and version (e.g., Chrome 120)
- Operating system (e.g., Windows 10, macOS)

How we use it:

- Ensure compatibility
- Debug errors
- Provide appropriate updates

This data is:

- Anonymous and aggregated
- Cannot be linked to you personally
- Used solely for technical support

How We Use Your Information

We use the collected information **only** for the following purposes:

Primary Purpose: Security Protection

- **Threat Detection:** Check URLs against our database of known phishing sites, malware distributors, and fraudulent websites
- **Real-time Alerts:** Warn you when you attempt to visit a dangerous website
- **Blocking Malicious Sites:** Prevent navigation to high-risk websites (with your permission)

Secondary Purposes:

- **Display Statistics:** Show you how many threats were blocked and URLs checked
- **Remember Preferences:** Store your settings (e.g., notification preferences, blocking level)
- **Improve Service:** Aggregate anonymous usage data to improve threat detection algorithms
- **Provide Support:** Diagnose technical issues if you contact us for help

We DO NOT:

- × Sell your data to third parties
- × Use your data for advertising or marketing
- × Track your browsing behavior for profiling
- × Share your data with data brokers
- × Use your data for purposes unrelated to security

Data Storage and Retention

Local Storage (Browser)

Where: All data is stored locally in your browser using Chrome's storage API.

What:

- Threat database (list of known malicious URLs)
- Your settings and preferences
- Usage statistics

Retention:

- Data persists until you uninstall the Extension
- You can clear data at any time via Extension settings
- Data is automatically deleted upon uninstallation

Server Storage (Optional - PRO Feature Only)

If you upgrade to LIVIA PRO and enable "Enhanced Protection":

What we may store:

- Hashed URLs (one-way encrypted, cannot be reversed to original URL)
- Threat detection results
- API request logs (for rate limiting)

Where: Secure servers in the European Union (GDPR compliant).

Retention:

- Hashed URLs: 24 hours
- Detection results: 7 days (for cache purposes)
- Logs: 30 days (for security audits)

Deletion:

- Automatically deleted after retention period
- You can request immediate deletion by contacting us

Data Sharing and Third Parties

We DO NOT Share Your Data

General Rule: We do not sell, trade, rent, or share your personal information with third parties for their marketing purposes.

Exceptions

1. External Threat Intelligence APIs (Optional)

If you enable "Enhanced Protection" (PRO feature), the Extension **may** send URLs to:

VirusTotal (Google subsidiary)

- Purpose: Check URL reputation across 70+ antivirus engines
- Data sent: URLs you visit
- Privacy Policy: https://support.virustotal.com/hc/en-us/articles/115002168385-Privacy-Policy

AbuseIPDB

- Purpose: Check IP address reputation
- Data sent: IP addresses from URLs
- Privacy Policy: https://www.abuseipdb.com/privacy

What happens:

- URLs are sent over **HTTPS** (encrypted)
- These services **may** log URLs according to their own privacy policies
- You can **disable** this feature at any time in settings
- This feature is **OFF by default** (must opt-in)

2. Legal Obligations

We may disclose information if required by law or in response to:

- Valid legal requests (court orders, subpoenas)
- Protecting our rights and safety
- Preventing fraud or illegal activity

- Complying with government regulations

We will notify you of such disclosures unless prohibited by law.

Service Providers

We do NOT use third-party service providers for:

- Analytics (we don't track you)
- Advertising (we don't show ads)
- Marketing (we don't send emails unless you contact us)

Cookies and Tracking Technologies

We DO NOT use cookies or tracking technologies.

No third-party trackers: The Extension does not contain:

- Google Analytics
- Facebook Pixel
- Advertising trackers
- Social media widgets
- Any tracking scripts

What about other websites?

- The Extension does not interfere with cookies from websites you visit
- We do not access or read cookies from other websites

Your Rights (GDPR & Privacy Rights)

If you are a resident of the European Economic Area (EEA), United Kingdom, or other regions with data protection laws, you have the following rights:

1. Right to Access

You can access all data the Extension stores by:

- Opening Extension settings
- Viewing local storage via Chrome Developer Tools
- Contacting us at Livia_privacyrequests@protonmail.com

2. Right to Deletion (Right to be Forgotten)

- **Automatic:** Uninstall the Extension to delete all local data
- **Manual:** Clear data via Extension settings
- **Request:** Email us to delete any server-side data (if applicable)

3. Right to Rectification

- Update incorrect data via Extension settings
- Contact us if you believe we have inaccurate information

4. Right to Restriction of Processing

- Disable specific features in Extension settings
- Request we stop processing your data by contacting us

5. Right to Data Portability

- Export your settings and statistics via Extension settings
- Request a copy of your data in machine-readable format

6. Right to Object

- Disable "Enhanced Protection" to stop external API calls
- Opt-out of any optional data collection

7. Right to Withdraw Consent

- Disable features at any time
- Uninstall the Extension completely

8. Right to Lodge a Complaint

If you believe we are not complying with privacy laws, you can file a complaint with:

- Your local data protection authority
- EU: https://edpb.europa.eu/about-edpb/board/members_en
- UK: ICO - https://ico.org.uk

To exercise any of these rights, contact us at:

Email: Livia_privacyrequests@protonmail.com
Response time: Within 30 days

Data Security

We implement industry-standard security measures to protect your information:

Technical Measures

- **Encryption:** All API communications use HTTPS/TLS 1.3
- **Local Storage:** Data stored using Chrome's secure storage API
- **No Plain Text:** Sensitive data is hashed or encrypted
- **Minimal Permissions:** Extension requests only necessary permissions
- **Code Review:** Regular security audits of Extension code

Organizational Measures

- Employee access to data is limited to essential personnel only
- Security training for all team members
- Incident response plan in place
- Regular security assessments

However: No method of transmission over the internet or electronic storage is 100% secure. While we strive to protect your data, we cannot guarantee absolute security.

Children's Privacy

Our Extension is not directed to children under 13 years of age.

We do not knowingly collect personal information from children under 13. If you are a parent or guardian and believe your child has provided us with personal information, please contact us immediately at Livia_privacyrequests@protonmail.com, and we will delete such information.

Age Requirement: By using this Extension, you confirm you are at least 13 years old (or the minimum age required in your country).

International Data Transfers

Primary Data Storage: All data is stored locally in your browser (your device).

If using PRO features:

- Data may be transferred to servers in the European Union
- We comply with GDPR for EU users
- We use Standard Contractual Clauses (SCCs) for data transfers outside the EU
- Your data is protected with appropriate safeguards

For users outside the EU:

- Your data may be processed in countries with different privacy laws
- We ensure appropriate safeguards are in place
- You have the right to object to international transfers

Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect:

- Changes in our practices
- Legal or regulatory requirements
- New features or services

How we notify you:

- **Material changes:** In-Extension notification + email (if provided)
- **Minor changes:** Updated "Last Updated" date at the top of this policy
- **Your continued use** of the Extension after changes constitutes acceptance

Version history: Available at https://guardiano-digitale.com/privacy/history

California Privacy Rights (CCPA)

If you are a California resident, you have additional rights under the California Consumer Privacy Act (CCPA):

Right to Know

- What personal information we collect
- Sources of that information
- Purposes for collecting it
- Third parties we share it with

Right to Delete

Request deletion of your personal information (subject to exceptions).

Right to Opt-Out

We do not sell personal information, so no opt-out is necessary.

Right to Non-Discrimination

We will not discriminate against you for exercising your privacy rights.

To exercise CCPA rights:

Email: Livia_privacyrequests@protonmail.com
Include: "CCPA Request" in subject line

Contact Information

For privacy questions, concerns, or requests:

Email: Livia_privacyrequests@protonmail.com
Response Time: Within 30 days of receipt

Legal Basis for Processing (GDPR)

We process your data based on the following legal grounds:

1. **Consent:** When you install the Extension and agree to this policy
2. **Legitimate Interest:** To provide security services and protect you from threats
3. **Contract Performance:** To deliver the service you requested (Extension functionality)
4. **Legal Obligation:** To comply with applicable laws and regulations

---

Specific Permission Justifications

Our Extension requests the following permissions. Here's what we use them for:

storage

Purpose: Save your settings and preferences locally in your browser
Data: Extension settings, threat statistics, user preferences
Shared: No, stays on your device

tabs

Purpose: Access the URL of the current tab to check if it's safe
Data: Current tab URL only (not content, not history)
Shared: No, processed locally

webNavigation

Purpose: Intercept navigation to potentially dangerous websites and block them
Data: URLs you're navigating to
Shared: No, processed locally (unless Enhanced Protection enabled)

notifications

Purpose: Alert you when a threat is detected
Data: No data collection, only notification display
Shared: No

host_permissions: <all_urls>

Purpose: Check any website you visit for threats (we can't predict which sites will be malicious)
Data: URLs visited
Shared: No, processed locally by default

Automated Decision-Making

Threat Detection Algorithm:

- The Extension uses automated algorithms to determine if a URL is potentially dangerous
- Decisions are based on: domain matching, pattern recognition, threat database lookups
- **You can override** any blocking decision (Extension won't force you to avoid a site)
- **No profiling:** We don't create profiles based on your behavior

Retention and Deletion

Data Type	Retention Period	Deletion Method
Local threat database	Until uninstall	Automatic on uninstall
User settings	Until uninstall	Automatic on uninstall
Usage statistics	Until uninstall	Manual in settings or automatic
API logs (PRO)	30 days	Automatic
Hashed URLs (PRO)	24 hours	Automatic
Support emails	2 years	Upon request

Data Breach Notification

In the unlikely event of a data breach:

We will:

1. Investigate the breach within 24 hours
2. Notify affected users within 72 hours (GDPR requirement)
3. Notify relevant authorities as required by law
4. Take immediate steps to secure data and prevent future breaches
5. Provide you with information about what happened and what we're doing

You will be notified via:

- In-Extension notification
- Email (if provided)
- Website announcement

Third-Party Links

The Extension may contain links to external websites (e.g., help documentation, threat reports).

Important:

- We are not responsible for the privacy practices of external websites
- External sites have their own privacy policies
- We encourage you to read their policies before providing any information
- This Privacy Policy applies only to our Extension

Your Consent

By installing and using LIVIA, you consent to:

- Collection and use of information as described in this Privacy Policy
- Local processing of URLs for threat detection
- Storage of preferences and statistics on your device

You can withdraw consent at any time by:

- Uninstalling the Extension
- Disabling specific features in settings
- Contacting us to delete your data

Questions and Complaints

If you have questions or concerns about this Privacy Policy:

1. **First:** Review this policy thoroughly
2. **Then:** Email us at Livia_privacyrequests@protonmail.com
3. **If unsatisfied:** File a complaint with your data protection authority

We are committed to resolving complaints fairly and promptly.

Language

This Privacy Policy is provided in English. If translated into other languages, the English version prevails in case of any discrepancies.

Acknowledgment

By clicking "Add to Chrome" or installing this Extension, you acknowledge that:

- You have read this Privacy Policy
- You understand how we collect and use information
- You agree to the practices described herein
- You are at least 13 years old (or the minimum age in your country)
